WORK EXPERIENCE

AMORELIE May 2016 - Dec 2017 BERLIN

Consumer electronic design; In-house prototyping, CNC machining and silicone casting; Project management; Responsible for development directly with our partners in China; Creative production (photography); Ergonomics and behaviour research; Packaging and instructions (content management).

TYLKO Oct 2015 - Mar 2016 WARSAW

Tylko is the pioneer of Responsive Industrial Design. It is redefining the bespoke furniture industry and the state of art of customisation. My role was exploring further the potential of their technologies and know-how by innovative design solutions, while solving insane riddles.

CLASSICON Jun 2012 - Jul 2014 MUNICH

Product development for both furniture and lighting projects, including packaging and instructions; Quality management; Coordination of the suppliers chain; Fair stands development and on-site coordination; Scouting of new designers and trend reports.

BENJAMIN HUBERT Jan - May 2012 LONDON

Assisting the design of projects for international clients such as Cappellini, Biegel and De La Espada. Video editing for 'Garment' club chair.

MIKE&MAAIKE Feb - May 2011 SAN FRANCISCO

Design assistant for several projects, including Google Nexus Q, presented at Google I/O 2012 conference. Patented custom audio and power cable design.

MARCO SOUSA SANTOS Oct 2008 - Feb 2009 LISBON

ISAO HOSOE DESIGN Sep - Dec 2005 MILAN

EDUCATION

B1+ GERMAN COURSE Feb - Apr 2015 / Inlingua MUNICH

MA FURNITURE DESIGN 2006-2010 / Politecnico di Milano MILAN

INDUSTRIAL DESIGN Feb - Jul 2008 / PUC RIO DE JANEIRO

BA INDUSTRIAL DESIGN 2002 - 2006 / La Sapienza ROME
